Subject: Request for Replacement of Laptop Charger

Respected Sir,

I am writing to request a replacement charger for the laptop provided to me for official academic and departmental work at Sanjivani University.

The laptop is functioning properly; however, the charger is not working, and I am currently unable to charge the laptop. Since the laptop is required for my regular academic, teaching, and administrative responsibilities, this issue is affecting my ability to use it continuously for official work.

I therefore kindly request you to arrange a replacement charger at the earliest convenience so that I can continue my work without interruption.

I shall be grateful for your support and prompt assistance in resolving this issue.

Thanking you,

Yours sincerely,

Pamu Shivani
